

# Be Still - Acoustic

Words and Music by Jordan Gage, Matthew Germon & Cameron Tipping.

## Verse 1

You are the light in the darkness  
You are the hope I need the most  
You are the strength I've always needed  
And I know  
Jesus You're the one who brings me through

## Chorus

I'm waiting on You, woah - woah  
The power of Your love, woah - woah  
In everything I do, woah - woah  
I'll be still and worship You, I'll be still and worship You

## Verse 2

Your face, I seek in the darkness  
At the cross, I find all that sets me free  
Jesus, Your love is everlasting  
You carry me, You're everything I need

## Bridge

Your love, it never runs dry  
Your peace carries me through the night  
I'll be still for You are God, I'll be still for You are God  
In the fire but I won't get burned  
My trust in You is forever confirmed  
I'll be still for You are God, I'll be still for You are God
