

I Want the Cross

Words & Music by Jordan Gage, Matthew Germon, James Macpherson,
Cameron Tipping & Nathan Tipping.

Verse 1

I know Your name, I've heard Your voice
To follow Christ, the greatest choice
My confession, in Christ alone
The First, the Last, my Saviour on the throne

Verse 2

You've taken away, my taste for sin
Replaced by love, a change within
For my debt, was paid by grace
My cross I will carry, all my days

Chorus:

Jesus, Your name is divine
I choose Your will over mine
I take up my cross, counting all else as loss
For Your glory

Verse 3:

Through His death, there is life
And in His life, I found mine
There is no greater - sacrifice
Than death through nails, You paid the price

Bridge:

When You said not my will, but Your will be done
All of Heaven rose, to glory in the Son
When You chose the Father's will
counting all else as loss
my life was saved, I want the cross.
